

NO BAIL FOR COLLIER, RULE OF THE COURT

Policeman Who Killed Captain Mathews Last March
Must Remain in Jail Until His Case Is Called
Next Fall—Decision Final.

For the reason that to admit John W. Collier to bail would be a constructive opinion that he is not guilty of murder in the first degree for the killing of Capt. William H. Mathews, Justice Gould this morning refused to set the ex-policeman at liberty.

The judge, in overruling the motion of Attorney Henry F. Woodard, further declared that the plea of ill health was not made and that he saw no exigency which would demand the release of Collier.

The action of Justice Gould precludes any further attempt to get bail for Collier, and he must remain in jail until his case is called during the fall term of court.

Collier was indicted for murder in the first degree, charged with the killing of Captain Mathews in the Fifth precinct station on March 5. Last week his attorneys argued a similar motion for his release before Justice Wright, who dismissed the motion without prej-

udice so that it might be taken up with another judge and evidence submitted tending to reduce the degree of crime. Last Friday the former policeman filed an affidavit in which he set up a plea of self-defense.

In bringing the matter before the court this morning, the affidavit was read to the court in which Collier declared that Mathews threatened him with the words "I'll fix you for that, damn you," and that Mathews reached for his hip pocket. Collier further says that knowing Mathews' alleged reputation he believed he was in bodily danger, drew his weapon and fired.

Attorney Woodard also read the testimony of Lieut. Joshua Sprinkle and Policeman George H. Moran and Dennis J. Cullinane. Their testimony failed to show they were eyewitnesses to the killing, which took place in the captain's office, and as the case will largely hang upon the testimony of the defendant himself as to what took place immediately prior to the shooting, Justice Gould refused to commit himself to an opinion which he declared might be inferred if he allowed Collier his liberty.

CERTIFICATE TO TAFT IS FRAMED IN GOLD

Chamber of Commerce Committee Presents Executive
With Handsome Credential of Membership to the
Body—Assures Business Men of His Interest.

President Taft was today presented with a gold-framed certificate of membership in the Washington Chamber of Commerce as a mark of the esteem in which he is held by the business men of the National Capital.

The committee which presented the certificate was composed of Col. Robert N. Harper, chairman; William E. Shannon, George Stuart, P. F. Gormley, William F. Gude, and Thomas Grant. In making the presentation, Colonel Harper expressed the public's appreciation of the President's desire to do everything possible to improve the city of Washington. In accepting it, Mr. Taft assured the committee that any call on him for aid for Washington would be instantly answered so far as he should find himself able to respond.

Proud of Membership.

The President said in part: "Gentlemen, I am very glad to accept this membership, because I believe you are sincere in presenting it, and I assure you that you can depend upon my help in anything that makes for the growth of the District of Columbia. I believe that with the helpful spirit in Congress that we can do much in the next four years to make even this beautiful city more beautiful, and as it should be worthy of being the Capital of our great nation."

"You will find me ready and glad to see you at any time that I can be of service, and I intend to devote as much time as possible to the needs of the District."

Harper Makes Presentation.

In presenting the certificate, Colonel Harper said: "The people of the States had an opportunity of showing their confidence in you, and elected you Chief Magistrate of this great republic, but the citizens of the District of Columbia, through no fault however of their own, could not participate in such a demonstration of confidence, they nevertheless look upon you with pride as their President—and in addition to this as a friend and neighbor—one ever ready to extend a helping hand to assist them in making this our National Capital, a model of perfection, which all nations may look upon as a guide."

"Our mission on this occasion is to notify you that, on the evening of June 17 last, you were unanimously elected an honorary member of the Washington Chamber of Commerce, and it gives me much pleasure to present to you this certificate of membership, and in the name of the business men of the District, I ask you not only to accept it, but we hope that in future years when you look upon it, you will be reminded of the confidence and esteem in which you were held by the citizens of the District of Columbia."
